

Tabularazor Inc. is a large national news-paper with news on nearly everything. You feel a little bit curious, and would like to learn more about the people working there. You can find the archives of the news-paper at <https://news.tabularazor.org/>.

You have the following tasks:

- a Are there couples among the employees. If so, who? Are they still together?
- b Did any of the employees have a child? If so, who?
- c If you would be looking to work for Tabularazor Inc., how many holidays can you expect to get per year?
- d Document your method and code used during the investigation.
- e Support your answers for items *a-c* with appropriate visualizations.

Produce a four-pager with your findings before 01-Apr-2021 18:00 local time. Upload your draft report and all code you produced as a ZIP file to Brightspace. You will receive feedback on your work ASAP. Use this feedback to improve you work for the final version due on 15-April-2021 18:00.
